

# PUBLIC CONSULTATION ON OSIDGE LANE

**We are continuing our consultation that started in March 2021 and we are grateful to everyone who has taken part and provided feedback so far.**

The current PDSA Pet Hospital in Hendon will need to be relocated, and the council owned car park on Osidge Lane has been identified as a potentially suitable location. Our aim is that it will be designed to meet PDSA's requirements.

As part of our continuing consultation we have identified a number of potential changes that could be made to the proposals, responding to the feedback that we have received. Information about these changes is available on the project website and will be discussed at our upcoming virtual events (see right).

Whilst our consultation is ongoing, we have listened to the feedback received so far. One option we are considering is to remove the Osidge Lane site from the Hendon Hub project altogether. The new Pet hospital would in that case be relocated to an alternative site.

## VIRTUAL EVENTS

In March 2021, we held four virtual consultation events, where we presented our draft proposals and received really useful feedback. We will be holding further virtual events in the coming weeks to provide further opportunities for people to view the proposals and provide feedback to the project team. We will also be able to explain potential changes that could be made to the draft plans, building on feedback received and our recent design work.

**All presentations will take place online 6pm-7.30pm, and the dates are as follows:**

**Monday 10 May** – Former Quinta Club proposals

**Tuesday 11 May** – Osidge Lane proposals

**Thursday 13 May** – Main Hendon Hub proposals

**Thursday 20 May** – Main Hendon Hub proposals

Joining details for these events can be found online at [www.hendonhub.co.uk](http://www.hendonhub.co.uk) or requested by contacting the project team.

To allow more time for feedback, we have taken the decision to further extend the consultation. **Our public consultation will now close on Friday 4 June 2021.**

# JOIN THE CONVERSATION

## NOT ONLINE BUT WANT THE SAME INFORMATION?

We appreciate that not everyone has easy access to the internet, or currently can't meet in person, and so we are happy to post out copies of the consultation material to you. This can be requested by contacting us via one of the options shown below.

Copies are also available to borrow with a Library card from Osidge Library via the Libraries Select and Collect service. Items must be requested in advance and you will be notified when your item is ready for collection.

For more details about how to join the library and to request items please visit our website at: [www.barnet.gov.uk/libraries](http://www.barnet.gov.uk/libraries)

For any further information, or to request the questionnaire in an alternative format please contact us via one of the options shown opposite
